March 18, 2020

Dear Homeowners,

On March 17, 2020 Governor Steve Sisolak announced a statewide closure of all casinos, bars, restaurants, and other nonessential businesses for 30 days as part of the state's latest response to the COVID-19 situation.

Real Estate offices such as Western Nevada Management are not mandated to close at this time and may remain 'open' as we provide and monitor essential services.

However, protecting the health and safety of employees, homeowners and business partners is the top priority of the Association and effective immediately, the following restrictions have been put in place:

Emergencies will be addressed as quickly as possibly per standard operating procedures.

Access to the office at Western Nevada Management is limited to employees only at this time. Please contact them by telephone: 775-284-4434, or via email at info@westernnv.com rather than come to the office. Payments can be made over the phone via bank check or credit card for a small fee. An outside drop box is also available by the front door of the office for payments. If you would like a receipt, please indicate email or address where to send the receipt when using the drop box and one will be forwarded to you.

If you have suffered an economic impact as a result of the pandemic and are unable to pay your full assessment, you must submit a written payment request. Forms are available online at www.westernnv.com, or they can be emailed to you from Management.

As our local, State and Federal government modify mandates, we will do our best to keep things in your community administered properly. We will reassess the situation as it continues to progress.

We look forward to resuming normal operations and we appreciate your understanding and cooperation through this health crisis. Stay well.

Sincerely,
Sue King and the Western Nevada Management Team
